

# Ural Tools

## *Side Car Buddy*

Now here is a very handy tool for either shop or home use. Makes working on the Ural much easier. Wheeled triangle support slides under sidecar, U bolt clamps go over sidecar frame. Once in place, disconnect sidecar from motorcycle, and you're free to roll the sidecar anywhere convenient. Non tip design coupled with 4" swivel caster wheels allows great maneuverability. Manufactured from rectangular and angle formed steel bars, powder coat painted in silver vein finish. U bolt clamping prevents side car from coming loose at unwanted times. Adjustable height U bolt base piece allows fitment to either single or dual wheel drive side cars. Ships disassembled via common carrier (UPS, FED EX, DHL). Caster wheels equipped with ball bearing swivel feature. Rugged construction.
