

Ural Lighting

Side Car Side Light

P/N RW955110 L

Chrome plated side lights - two types: 5 & 6 inch diameter. "Off road" use. Halogen bulb type lights. Cushioned base. Mounts on sidecar tub sheet metal. You pick the height (recommended slightly above and to the front of the step plate). Armored wire lead. Furnished with grommet for lead wire pass thru hole. Requires drilling two holes. Route wires inside side car windshield bulkhead. Provides right side road "clear spot" visibility. Replaceable bulb. Rubber cushions keep body sheet metal from "oil can" activity. Beautiful chrome plating. 55 watt power consumption -use 15 amp or larger toggle switch. Replacement bulb H3.
