Air Cleaner Dresser Plate

P/N RW 900115 A

OK - so you have a black air cleaner and you want some flash! Chrome plate's expensive - so here's a solution to the problem. Our mirror polished aluminum diamond plate lid dresses up the plain black cover and makes a statement at the same time. Attached to the air filter cover using cover bolts already there. Two strips of 3 M body side trim tape underneath the plate keep it from skittering around when you clean out your air filter.

Diamond plate says this is a tough machine.
