Carbon Fiber Dashboard

P/N RW900139 A

Our super light, super strong, carbon fiber Ural dashboard. Great place to mount a navigator, radio or CB. Equipped with power point socket, 2 rocker switches and the Ural logo badge - this is one high tech addition to your sidecar - yet the price is reasonable. Finish on both sides of the dash is flawless. Mounts between bulkhead bracket and windshield brackets using existing bolts - no drilling required to mount. Furnished with edge guard on top surface. Rounded interior edges to prevent catching.
