

Ural Exhaust

Dunstall Mufflers

R/W RW935104 E

A muffler from out of the past - design made famous by Paul Dunstall. 27" long slow taper / short reverse cone megaphone type muffler. Equipped with a removable silencer that is re pack able. Sold for "off road" or competition use only - check you local regulations before ordering. Often found on show bikes, deep melodious low frequency sound alerts others to your presence. Mounts with unique reduction bushing right over your header pipe, Rear mount is supplemented with our chromed heavy duty bracket.

Sounds Like A Blast From The Past!
