Side Car Rear Bumper

P/N RW905107 C

Chrome plated twin rail side car bumper protects vulnerable sheet metal below the trunk lid. Wraps around the corners to ward off angle strikes. Supplied with Durlin stand off spacers, stainless steel hardware. Requires drilling two holes to mount. Locates between trunk strap anchor bolts so the bumper is "centered" in the available space. Fabricated from 3/8" steel rod, bumper also serves as mounting area for trip badges, fun plaques and the like. Good place to hang canvass water bags or your personal logo. Can be used to anchor cargo. 50's style twin rail design.
