Retro Trunk Rack Wood Slat Kit

P/N RW 900106 A

Handsome addition to the Retro trunk rack! Dark Oak stained wood slats overcoated with Urethane sealer for all weather protection, Slats are gorilla glued to cross bars - then secured in place with metal brackets screwed into the wood. Unique design prevents the slat from turning. Prevents "printing" soft luggage caused by road vibration. Easily installed in a very few minutes - but dressing up your Retro like a custom bike!
